Working to build products that shape tomorrow.

Experience

Product Manager, Procol (Feb 2019 - Jul 2019)

- Procol, a startup that raised $1 million, is the all-in-one procurement software for commodity insights.
- Optimised and strengthened our dashboard to increase our session length x 3.
- Delivered features which fetched contracts with Bikanerwala and Akshaya Patra worth $100K.
- Onboarded Bikanerwala, and digitising their commodity procurements worth $500K.

Member of Technical Staff, Adobe (Feb 2018 - Sep 2018)

- Engineered deployment process, reducing deploy time to less than 5 mins.
- Orchestrated team, deployments and finalised major releases of Adobe Campaign Reporting, a tool used to analyse billions of data points of your digital campaigns.
- Voluntarily organised cultural competitions, launched a project to track progress for various competitions.

Software Development Engineer, Zomato (July 2016 - Feb 2018)

- Initiated to break website into UI kit, planned and delivered it to have consistency across all products.
- Designed UX and developed Zomato's Alexa skill which became the most requested skill on Alexa, bringing in free marketing.
- Developed PWA, launching it in 24 countries across 100M recurring users, pushing orders worth $900K.
- One of the first in india to Introduce AMP project to reduce page load time to less than a second.

Founding Member, Shiplock (Sep 2013 - Nov 2014)

- Shiplock was an E-commerce with Marketplace model for offline shops to go online - targeting college goers for books, electronics, apparels, bakeries etc.
- On boarded 100+ vendors across Delhi NCR. Reached 50 transactions per day in first quarter.

Open Source

- An active contributor to KDE, a distro used by more than 70 million people. Served as a Mentor in Google Summer of Code (GSOC) for KDE after being a GSOC student in 2015.
- My other contributions include organisations like Mozzila, the one which makes firefox, and Python, the language used by more than 8 million developers.

Position of Responsibilities

Part of DTU placement committee, handled more than fifty companies.

Organised more than ten SIGs, meetups and workshops for students.
